MetalTech-USA Launches Redesigned Website

PEACHTREE CITY, GA., November 10, 2009 – MetalTech-USA, a premier distributor and fabricator of coils, sheet and architectural metal products, recently launched its new website which serves as a comprehensive source of information for owners, designers, contractors and installers in the building design and construction industry.

The site, at <http://www.metaltech-usa.com>, features MetalTech-USA's new branding identity and improved navigation. Underpinning the clean, new look is expanded and informative content including information about EcoChoice™, the company's line of sustainable metal products.

“Our new website is an exciting support tool that gives our customers the tools and materials they need,” said Nils Simonsen, CEO, MetalTech-USA. “We’re committed to growing the site by continually adding relevant content.”

Among the website's user-friendly features and benefits are:

- An expanded product section.
- Downloadable brochures, specification sheets, installation guides and Division 7 materials.
- A project gallery featuring MetalTech-USA projects across the USA.
- An online quotation form for quick and easy submission of estimates.

About MetalTech-USA

Metal Tech-USA is a premier distributor and fabricator of environmentally friendly architectural metals. In partnership with RHEINZINK America, Allegheny Ludlum, Hussey Copper and others, MetalTech-USA is working to promote the sustainable use of metals in architecture. For more information, visit www.metaltech-usa.com, or call 770-486-8825.
